THIS SUNDAY AT GRACEWAY

In the morning service we will turn to Exodus 2: 1-25 as we learn how Moses experience *Life Changes*. In the afternoon we are hosting a VBS training for Graceway members and have invited other BLBA churches to join us. Training begins at 3:30PM and due to the length of the training we will not hold an evening service. Children's choir and the Youth Group is canceled for the evening.

Graceway Kids will examine the first of two letters written by Peter to the early churches. In I Peter we'll learn about Grace In Our Lives.

GOLDEN GOSPEL TODAY

Ken Boyd and the Golden Gospel Group will be presenting at Marla Vista this afternoon at 3PM. You're invited to join them for a brief service with the residents of Marla Vista. This Saturday you have another opportunity to join them when they are at Cottonwood Assisted Living Center at 1 PM. If interested contact Ken Boyd.

TREE REMOVAL

Scott Laha has managed the removal of the diseased tree in the front of the church. Scott is looking for some volunteers this Saturday to help clean up the area. Activities will begin at around 8AM. Anyone interested in helping is invited to show up. We're also looking for someone with a trailer who would be able to haul the brush and small limbs away. Contact Scott at 609-4468

RESCHEDULED BIBLE STUDY

Due to illness the start of the new women's Bible study had to be delayed until next Tuesday. So that means you didn't miss the first week and you can still sign up for the inductive study of the book of Philemon led by Sue Jepson. The first session will now be held on Tuesday, April 12 at 9:30AM at the church

YOUR MISSIONARIES

When IMB medical missionaries CHAD and SARAH HARDY* met Anya,* she mentioned how nice foreigners were compared to Arabs. The Hardys were treating Anya for tuberculosis when Sarah took the opportunity to tell her that they are "nice" because of Jesus, not because of the country they are from. Anya began reading the Bible on her own. One night when she couldn't sleep, she wrote a poem and gave her life to Christ. She is still the only believer among her family, but is praying for them. Your giving through the Cooperative Program supports missionaries like the Hardys, who are using their medical skills to reach people for Christ.

JOHN and EVA VADER* will never forget the day they went to the sea for a picnic with their friend, Amir,* and his family. There, they found a place to baptize Amir and watched in awe as he also baptized his wife and children. "We're Christians now, 100 percent!" Amir declared. John and Eva were forced to leave Amir's country, but they rejoice that a Christian family remains. The Vaders have moved to another Middle Eastern country and are meeting others who hunger for the Word. Continue to give generously through the Cooperative Program so the gospel will move through the Middle East.

The real measure of your wealth is how much you would be worth if you lost all your money.

Answered Prayer:

One church planter wrote: We have had a person that has started to come to church who was going to a Jehovah Witness church who is now attending weekly on Sunday and meeting with me weekly for coffee. During these meetings we talk about life and how Jesus plays a role. He has come to small groups and is getting involved. He is taking sets. Fun to watch.

THE SAFEST PLACE

Do not ride in automobiles: they are responsible for 20% of all fatal accidents.

Do not stay home: 17% of all accidents occur in the home.

Do not walk on the streets or sidewalks: 14% of all accidents occur to pedestrians.

Do not travel by air, rail or water: 16% of all accidents happen on these.

Only .001% of all deaths occur in worship services in church, and these are usually related to previous physical disorders.

Hence the safest place for you to be at any time in at church.
