Graceway Weekly - An electronic newsletter for members and friends of  
Graceway Fellowship, Green Bay, Wisconsin

## **TODAY'S EVENTS**

The Prime Timers take a refreshing break when they meet at 11:30AM at Denny's on Oneida Street. We'll share a meal, prayer requests and fellowship. Any over 55-years of age is invited to attend and be exposed to this delightful ministry. There's always room for more.

The Golden Gospel Group will be meeting with residents at Marla Vista on Military Avenue at 3 PM. This location has had a good turn out with a lot of positive feed-back. Ken Boyd would welcome you to join this ministry team.

All members of Graceway Fellowship are encouraged to attend this evenings Annual Business Meeting. You don't have to worry about your evening meal because at 5:30 we'll share a Sloppy Joe fellowship dinner. If you didn't get a chance to sign-up to bring a dish-to-pass, considering bringing a salad, fresh veggies, or a dessert. Hope to see you tonight.

## **YOUR MISSIONARIES**

KRISTOPHER SMILKO's newly formed congregation was growing quickly and needed a meeting space. God led them to a church with a dwindling congregation. The two merged to form Grace on the Rock church. The church is located in Sedan, Kansas, a small community where many people grew up attending church and say they believe in God, but do not have a relationship with Jesus. Kristopher says drug abuse and subsequent poverty have become strongholds that keep people from following Jesus. Pray for Grace on the Rock as they search for another worship leader. Pray that the church continues to grow and give generously through the Cooperative Program to support this ministry.

A Christian worker in North Africa reports that 1,000 Bibles were recently distributed to the clergy of many rural Orthodox churches. Most of these isolated churches had never even had one Bible. Now the priests can study, teach and preach from the Bible instead of other traditional Orthodox books. You have been a part of this blessing because you give to the Cooperative Program. Please pray, along with our workers, that God will give these priests, their students and others who can read a great hunger to know God, Jesus and His truths.

## **A GOOD MEMORY**

Little Johnny opened his birthday gift from Gramma. It was a water pistol! He squealed with delight and headed for the nearest sink.

His mother was not so pleased. She turned to Gramma and said, "I'm surprised at you, getting him a water pistol! Don't you remember how we used to drive you crazy with those?"

Gramma just smiled: "Yes...I remember."
